

Parent Recommendations

Helping your student learn to answer questions before, during, and after reading will support your student's reading development.

Please join the teachers at IHS in focusing on questioning!

Questions to use BEFORE reading:

What clues does the title/subtitle reveal?

What questions do you hope this article/book/section will answer?

Questions to use DURING reading:

What do you understand from what you just read?

Do you need to slow down your reading in order to understand the ideas? What strategies can you use to unlock the meanings in this text?

Questions to use AFTER reading:

Which pre-reading questions did this article/book/section answer?

What is the overall theme of this article/book/section?

What connections did you make with the information in this article/book/section?
